1. AUTHORITY

- 1.1 Minnesota Multistate Contracting Alliance for Pharmacy (MMCAP) is a group of state agencies and political subdivisions, founded in 1988 as a group purchasing organization, which contracts for pharmaceuticals for state agencies and other political subdivisions in participating states. The state of Minnesota serves as the lead state for the organization and in this role establishes and maintains all MMCAP contracts. MMCAP is a voluntary organization funded through the collection of an administration fee from the pharmaceutical manufacturers contracting with the alliance. MMCAP has a wide variety of practice settings represented within its participants. Among the settings represented within MMCAP's diverse membership (but not limited to) are correctional facilities, regional psychiatric treatment facilities, student health services, public health services, veteran's nursing homes, public hospitals, and community health clinic pharmacies.

2. CONTRACT ADMINISTRATION

- 2.1 Questions or problems arising from this contract or subsequent order and delivery procedures should be directed to the Office of Purchasing and Travel, 501 N. West Street, Suite 701-A, Jackson, MS 39201; Phone: 601-359-3409. Our office will contact the MMCAP Administrator to resolve any problems that may arise.

Obtaining MMCAP Pricing

MMCAP members ordering directly with a vendor must contact the vendor's customer service department prior to their first purchase and indicate they are members of MMCAP, group purchasing organization (GPO). This will ensure you are connected to MMCAP contracts and receiving MMCAP contract pricing.

Federal Excise Tax

Many vaccine products are subject to Federal Excise Tax (FET). This tax must be paid. Government agencies are not exempt to FET on vaccines. The tax money is put into the Vaccine Injury Compensation Trust Fund providing funding for the National Vaccine Injury Compensation Program to compensate vaccine-related injury or death claims for covered vaccines administered on or after October 1, 1988. A good website explaining additional information on the tax is <http://www.hrsa.gov/vaccinecompensation/index.html> . The HRSA site also has the authorizing legislation.

Storage and Handling

Customers taking physical possession of vaccine product(s) are fully responsible for complying with all applicable federal, state, and local laws and regulations relating to the storage, handling, and distribution of such products.

Product Returns

Products must be returned in accordance of the Vendors return policies. Contact Vendor customer service department or your wholesaler for all vaccine returns. Vaccines must be stored and handled according to individual product specifications.

DSCSA

Inquire with the Vendor for further information regarding obtaining traceability transaction information.
